DECLARATION OF INVENTORS

As a below named inventor, we declare that:

Our residence, post office addresses and citizenships are as stated below next to our names; that we believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention or design entitled METHOD AND APPARATUS FOR REDUCING NOISE AND VIBRATION IN SWITCHED RELUCTANCE MOTOR DRIVES, the specification of which was filed on November 30, 2001, as Application Serial No. 09/998,735; and

We have each reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above; and acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

We hereby claim foreign priority benefits under 35 U.S.C. § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

<u>Application Serial Number</u>	<u>Date</u>	<u>Status</u>
None	None	None

We hereby claim the benefit under Title 35, United States Code, § 119(e) of any United States provisional application(s) listed below:

<u>60/250,022</u>	<u>November 30, 2000</u>
(Application No.)	(Filing Date)

We declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
